Wednesday 20 September 2017, 6pm–9pm

This is an opportunity for you to speak one-on-one with staff from the EPA, SA Health and Adelaide Brighton Cement Limited (ABC) about the proposed conditions for ABC's revised licence, which is currently due for renewal.

The session will provide community members with an opportunity to ask questions, provide feedback and be informed about the licence renewal process and how to make a written submission about the conditions, should you wish to. Submissions can also be made in writing directly to the EPA if you are unable to attend this session.

We look forward to meeting with you in person, listening to your feedback and answering your questions. **For more information please visit our website (www.epa.sa.gov.au and follow the link to Adelaide Brighton Cement), email: engage.epa@sa.gov.au or phone: (08) 8204 2004.
