12 October 2016

Waste Reform Bill public consultation forums

The Environment Protection Authority (EPA) has commenced a public consultation process to inform and seek feedback from South Australians on the draft Environment Protection (Waste Reform) Amendment Bill 2016.

The draft Bill aims to provide the EPA with necessary support to improve its methods of tackling illegal dumping and achieve a series of waste reforms to also provide the right conditions to attract more investment and employment opportunities in South Australia.

The EPA will hold six consultation forums in the following regional locations, with South Australian residents encouraged to attend the following venues.

Port Augusta

13 October, 2016

1-3pm

Port Augusta Council Chambers
4 Mackay Street, Port Augusta
