

**Legend**

- Assessment Area Boundary
- Cadastre
- ◆ Privately Owned Groundwater Monitoring Well
- ◆ Selected Existing Groundwater Monitoring Well
- ◆ Newly Installed Groundwater Monitoring Well

**Groundwater TCE Concentration**

- 0.5 Groundwater TCE Concentration ( $\mu\text{g/L}$ )

**Extent of TCE Plume**

- 1 to  $<20 \mu\text{g/L}$
- 20 to  $<100 \mu\text{g/L}$
- $>100 \mu\text{g/L}$

**\*Note:**  
 The plume extent as delineated in Kleinfelder, 2017 for the eastern portion of the assessment area was used for the plume extent interpretation here.

0 25 50 100 150 Meters
