

## Schedule of works

The licensee must submit a notification of intent and schedule of works to the EPA at least 5 business days prior to the commencement of any dredging activities. This is to ensure that EPA is aware of when the dredge campaign will be undertaken and to plan for any site visits if necessary.

Name	
Business	
Licence number	
Dredge location	
Date submitted	
Signature	

<b>ACTIVITY</b>	<b>DATES (commencement – completion)</b>
Mobilisation of equipment and vessels to the dredge site
