

# Application form for Licence Not Required Determination

## Activities 7(2) ONLY

### *Environment Protection Act 1993 (section 36)*

---

#### Note

- A separate application form must be completed for each site.
  - Attach and label additional pages as required
  - For any enquiries telephone 08 8204 2004 or email on [epalicensing@sa.gov.au](mailto:epalicensing@sa.gov.au)
- 

#### Site

As applicable, provide copy of relevant Development Approval for the activity and/or site or letter from planning authority stating willingness to consider as a non-referral DA if EPA determines a licence is not required.

Tick this box if attachments related to this question are included

Provide annotated site locality and site layout plan.

Attach separately and tick this box

#### Activity

Briefly describe why your activity does not justify the need for a licence, having regard to the prescribed factors.

Describe the proposed activity.

Describe timeframes and frequency (whether activity will be once-off, ongoing, etc).

Describe surrounding land uses, and identify any potentially sensitive receptors, at the proposed site and at any receiving environments of materials.

Describe controls, including pollution controls, quality controls, management controls and risk management. (Example issues to address are provided for your consideration.)

**Noise**

**Stormwater/Sediment Erosion Control**

**Dust Suppression**

**Emissions to Air**

**Management of chemicals**

**Waste management**

Describe remediation/clean up/cessation of activity.

Include any other relevant information.

---

**Attach this form to your licence application**

If you are providing the form subsequent to application, please send to:

Regions & Licensing Services  
Environment Protection Authority  
GPO Box 2607, Adelaide SA 5001
