Note: Your attention is drawn to the particulars relating to environment protection under the *Land and Business (Sale and Conveyancing) Regulations 1995* (the Regulations). In particular, question 2(1) asks the vendor whether it is aware of any environmental assessment of the land. Further, question 2(3) asks of the Environment Protection Authority (the Authority) whether it holds a copy of a report on any environmental assessment of the land or a part of the land. The Authority will regard any sampling and testing of soils on your property carried out with your consent pursuant to this notice as an environmental assessment for the purposes of the Regulations. Accordingly, the results of the soil tests will be provided to a prospective purchaser of the land upon request as contemplated by the note to question 2 in the environmental particulars under the Regulations.

(5) Do you approve of the Environment Protection Authority carrying out the sampling and testing of soils on your property?

Yes No *(If you answered yes, go to question 6)*

If you answered 'No' to question 5, there is no need to complete the rest of the questionnaire. Please sign and date below.
