Preamble

The EPA is South Australia’s environmental regulator.

Our environmental goals are:

- ✓ Good quality land
- ✓ Good quality water
- ✓ Good quality air
- ✓ Safe use of radiation
- ✓ Protection from unacceptable noise
- ✓ Sustainable use of resources

Responsible management of prescribed activities through environmental authorisations is integral to achieving our goals.

This form is an application to exceed prescribed standards administered by the EPA. A separate application form is to be completed for each site.

This form must be completed in full and signed (on the back page) by an authorised person.
